## WELCOME FROM OUR SENIOR PASTORS

God has called all of us to live a life of influence. This means our lives are designed to be lived for something bigger than ourselves! He created each one of us to advance His Kingdom on earth as it is in heaven. To help us achieve this, God then placed the fullness of His Holy Spirit within us! We are literally carriers of God's unlimited power and unlimited presence. This means WE ARE UNLIMITED!

Unlimited Leadership Academy exists to help you to discover the unlimited potential within you. We have designed ULA with face to face lectures, practical ministry placement, and individual mentoring to help train and equip you to fulfill your God purpose. Through studying with ULA, you will continue to grow in your love for God, discover more of who God has created you to be, discover new found confidence, and sharpen your spiritual gifts.

People in your world need Jesus! Will you answer the call?

## UNLOCK YOUR UNLIMITED POTENTIAL IN YOUR INDUSTRY!

“After working for a few years in my dream job as a nurse, I felt that God was calling me for more. I didn’t know exactly what this meant or what was ahead of me, but I knew that I felt His prompting to enroll in Unlimited Leadership Academy.

A few months into my study, I was given a promotion at work that allowed me to take on more responsibility and put into practice the leadership principles I was learning in class.

As God spoke and continued to lead me, my passion for sharing the love of Jesus grew; as did my confidence, my understanding and the communication skills to share my experiences well.

Studying with Unlimited Leadership Academy has taught me to listen for God’s voice, understand Holy Spirit’s promptings and has prepared me to share the story of Jesus to those around me in an encouraging and empowering way.

I believe we are all called to be witnesses for the Kingdom of God, and should study to better prepare ourselves for this call.”

## UNLOCK YOUR UNLIMITED POTENTIAL IN YOUR COMMUNITY!

Unlimited Leadership Academy has impacted my life in so many ways! I'm definitely not the same person who started... Everything I knew as a Christian was what I'd been taught when I was young, ULA has helped me understand why I believe what I believe! It has deepened my foundations and my convictions as I continue to base them on the word of God.

I've gained so much confidence as I've challenged myself to step out of my comfort zone. Skills like my communication and intentionality have grown massively, which has absolutely made me a better employee, parent and wife.

I now understand the unlimited potential God places within all of us and while ULA doesn't give you gifts, it helps you discover them! I now have a deeper understanding of my character, identity and who God made me to be.

I'm truly grateful for the friendships that I've made on this journey! The lecturers have such a wealth of knowledge and genuine interest to see us grow and winning in every area of life.

## UNLOCKING YOUR UNLIMITED POTENTIAL IN YOUR STUDY!

Before studying at Unlimited Leadership Academy I was reading 2 Timothy 2:15 which says “*Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth*” and knew if I wanted to step into what God’s planned for me I have to study and spend time in the word. I’d a desire to attend and knew it was God who placed that desire in me.

The question for me was how? I’m a Husband, a Dad to two beautiful, energetic young children and a full time shift worker with limited flexibility. I knew that if I obeyed God and stepped out in faith, He would supply me what I needed... and He did! Every step of the way!

Attending ULA has confirmed what I believed God has called me to. Its given me a boldness to step into a new identity, one which will be with me forever. The face to face classes provided time to bond with other students, to share challenges and to be there for each other in prayer. The friendships you make and the growth you see them has made ULA a very special experience!
